MURDER AT THE BALLET
A CHOOSE YOUR OWN ADVENTURE EXPERIENCE

NOVEMBER 1, 2024

Ballet Fantastique and CBAA invite you on the world premiere tour of the groundbreaking, immersive theatrical adventure Murder at the Ballet: the world's first interactive murder mystery ballet where you, the audience, shapes the story's end with real-time CHOOSE YOUR OWN ADVENTURE elements! It's a dark and stormy night in 1888 for London's Les Etoiles Ballet Company theater – a thrilling new sort of penny dreadful innovation in the era of Jack the Ripper. Music by international award-winning film, television, and game composer Juan Luqui in his first-ever ballet score. Costumes encouraged.

MARCH 28, 2025

A classic novel, a fantastic film, and now an immersive theater experience by LA Theater Works. A Room with a View is a romantic comedy with emotional intelligence, a turn-of-the-century When Harry Met Sally, set in sun-lit Italy and rural England featuring animated classical art of breath-taking Italian landscapes and cameo video appearances by celebrity actors. By turns funny and moving, romantic and satirical, it's the perfect antidote to our times. LA Theatre Works is the nation's leading producer of audio theatre based in Los Angeles, incorporating media and audio arts with unique live theatrical performances since 2005.

ALWAYS

ANNIE AIELLO

OCTOBER 4, 2024

Always Olivia flawlessly captures 5 decades of Olivia's timeless music including Hopelessly Devoted and Physical. Singer Annie Aiello leads the performance - a celebrated vocalist, round 2 candidate on The Voice – who was captivated by and studied Olivia Newton-John ever since she was 7 years old. Oliva Newton-John believed we can see an end to cancer in our lifetime. **CBAA will donate \$2 to Columbia Basin Cancer Foundation with every ticket sold.** Let's kick off Breast Cancer Awareness Month with a SOLD OUT theater for the first time in 20 years!

SPHINX VIRTUOSI

MARCH 1, 2025

"Sphinx plays a vital role in the field of music: its ongoing commitment to the central issue of diversity is providing unprecedented opportunities for a broad range of young people." — Clive Gillinson, Executive and Artistic Director, Carnegie Hall
